FACE PROTECTIVE SHIELD

1x head holder / 1x protective shield

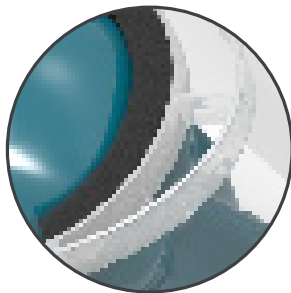

- Extensively covers the area of the face (eyes / nose / mouth)
- High comfort thanks to soft forehead padding
- Easily adjustable rubber band
- Maximum freedom of movement of the head
- Suitable for glasses wearers
- Optimal air circulation prevents the shield from fogging up
- One size: suitable for adults and children
- A mouthguard can be changed without removing the protective shield
- Interchangeable shields available as accessories

Face shield is certified according to:

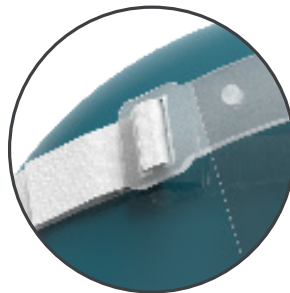

EN 166:2001 PSA / Rev. 01 2.4.2020 – Prüfgrundsatz COVID-19 Gefährdung;
Regulation (EU) 2016/425 PPE (March 9, 2016) Category II (March 9, 2016) according to Annex II
Certified by ECS - 1120-ECS-20 from April 17, 2020
Type certificate - 1120-ECS-20 / MR 11201-ECS-20

This is not a medical item.

This does not provide adequate protection against infections guaranteed. The additional wearing of a certified mouthguard is highly recommended.
