

MASTERBIND 520HP / 520HPA

Hydraulic Guillotine with programmable back gauge.
the 520HPA has a built in Air Table

Customer benefits:

- LCD display with up to 99 savable programs.
- Optical cutting line light for accurate positioning.
- Easy access to the blade fine depth adjustment.
- Safety two hand operation.
- Electronic hand wheel for fine back gauge positioning.
- Optional side tables provide additional working area (add 305mm left and right to the width).
- The 520HPA includes an air table for easy movement

MASTERBIND 520HP & 520HPA

Maximum:

 Cutting Width
520mm

 Cutting Height
80mm

Specifications:

Power requirements
230v 20amp

Dimensions (H x W x D)
1396x946x1300cm

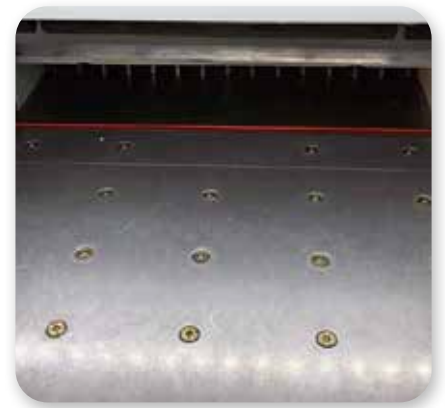

The 520HP and 520HPA can be supplied or later fitted with side tables, expanding the width of the guillotine by 610mm (305mm each side), allowing for greater movement and storage of paperstock while cutting.

Adjustable clamping pressure is easily adjusted.

The 520HPA has an included Air Table to assist in moving large stacks of paper across the guillotine surface.
